

1

1. Glue 3 cubes between two craft sticks

2

2. Glue on bow limbs at a shallow angle (less than 45°)

3

3. Reinforce the bow with 3 more sticks added on both sides

4

4. Glue on 2 half pieces of craft sticks onto the ends of the bow

5

5. Loop a rubber band onto the end of the bow

6

6. Loop the rubber band onto the other side. Tape the middle.

7

7. In one end of the straw, insert a piece of glue stick and tape it

8

8. Wrap the other end in tape

9

9. Pinch the end of the straw and cut off the corners to make a notch

10

10. Put the notch over the rubber band. Pinch the notch, pull back, and release!
