

1

1. Cut a small piece of glue stick and tape it to one end of a straw. Or use a pencil eraser

2

2. Tape a metal fastener just behind the front of the rocket. Bend the head as shown

3

3. Cut out 2-4 fins from card stock or index cards

4

4. Attach the fins to the straw with tape on both sides

5

5. Layer 2 pieces of tape and stick it to a craft stick with half hanging off.

6

6. Wrap the tape around a long rubber band
