

Terms of Use for the STEM Inventions Educational Resources

By utilizing any portion of the STEM Inventions materials, which includes pictures, project ideas, project plans, lesson plans, videos, or any other material in any form that is copyrighted by STEM Inventions, you have agreed to abide by these terms of use, which include:

1. Adherence to the Attribution Non-commercial Share Alike Creative Commons License, which states, in part:
This license lets you remix, tweak, and build upon the materials non-commercially, as long as you credit STEM Inventions or Lance Akiyama, and license new creations under identical terms. Others can download and redistribute the materials like the by-nc-nd license, but they can also translate, make remixes, and produce new ideas based on the materials. All new materials based on the originals produced by STEM Inventions or Lance Akiyama will carry the same license, so any derivatives will also be non-commercial in nature.
2. Do not distribute these materials under your name or business name.
3. If you share these materials, or any derivative thereof, you must give credit to STEM Inventions or Lance Akiyama.
4. Do not use these materials or any portion of these materials for for-profit or commercial purposes.
